KEIGHT GOURMET EXPERIENCE

Spend two days escaping from everyday life and indulge in exquisite dishes that will pamper all your senses. Surrender to irresistible flavors and experience each meal as a top-notch gastronomic delight.

Keight Hotel Opatija, Curio Collection by Hilton, opened its doors in June in the beautiful town of Opatija on the Kvarner Bay. Keight Hotel Opatija boasts a unique and modern design with a stunning terrace, rooftop pool, and bar offering views of the Kvarner Bay. This 54-room hotel is the first Curio Collection by Hilton in Croatia.

Pierrot Restaurant offers guests culinary delights through a fine dining bistro concept that pays tribute to the diverse tradition of Croatian cuisine. By respecting seasonal ingredients and pushing the boundaries of flavor and presentation, the culinary team at Pierrot prepares exquisite and delicious dishes. Guests can also choose to dine at the Rooftop Bar on the hotel's roof or enjoy premium cocktails with a view of the Kvarner Bay.

Additionally, you will receive a 20 € voucher for the Rooftop Lounge Bar, where you can enjoy cocktails and a spectacular view of the Kvarner Bay.
